HELP THE EBN GROW

Since our valued official partners agreed to fund the free membership entry level of the EBN we have seen our numbers grow quickly. In November 2023 we passed the milestone of **1,500** like-minded people in our movement for sustainable change.

But we have had increasing requests from some members to create a deeper way to engage with us, and more importantly with each other.

So, what is the solution?

INTRODUCING THE IMPACT MEMBERSHIP

IMPACT
MEMBERSHIP
£500pa

This is a new 'mezzanine' membership level sitting between the free membership group and the Official Partners.

Priced at £500 pa, the Impact membership level is for businesses that have made, or are committed to make, a change to the way their business approaches environmental sustainability and social value.

These are businesses that realise they must take actions to change the behaviour of their organisation and make a positive impact on their market, their people and the planet, but might not yet know how to do that.

What do they get as an Impact member?

TRANSITION MASTERCLASSES

Impact members will be invited to attend a series of online webinars on different elements of sustainability to help them better understand it and its component parts. Some of these webinars will be delivered by our Official Partners as well as other expert speakers.

The webinars will be recorded and made available for Impact members who cannot attend in person.
